

Katherine – 6th and 7th July

Lead with certainty

Develop key leadership skills including effective communication and efficient planning which improves certainty, self-esteem, confidence and performance within Individuals and teams.

How:

Leadership coach and consultant Tammy Kruckow will facilitate and coach you through a 2-day workshop of up to 12 participants followed by 3 monthly 1 hour group zoom session. During these sessions you will discover yourself as a leader by using a number of tools including a full leadership DISC Profile

This coaching program will equip you with the skills to:

- Understand communication and behavior styles.
- Build a productive team and a positive team culture.
- How to manage stress and emotions
- Deliver effective feedback.
- And more
